Training & Consultancy

## Empower Your People with Premium Training

TTM Training & Consultancy provides a suite of Health and Social Care focused training to our partners and their employees throughout Ireland and the UK. We leverage our extensive expertise and knowledge of the Healthcare industry to deliver a best-in-class service, providing professionally delivered practical and online training courses. Each month in excess of 1,000 healthcare professionals attend our range of courses. (Mandatory and continuous professional development).

TTM Training & Consultancy is a division of TTM Healthcare –a world-class, specialist, Irish-owned talent management company that solely focuses on the world of healthcare. Since our beginnings in 2016, our mission has been to add value to the world of healthcare by empowering people with quality knowledge, training and workplace skills

## Why Train with Us

### Healthcare Specialists

As TTM Healthcare is sector-specific, no training company understands healthcare like we do. We have insight into the challenges of the industry, keep pace with changing requirements and know which skills are needed in what areas. We source the best opportunities for your organisation, and partner with accredited training providers and tertiary institutions to bring you market-leading courses.

### Quality

The right people make the difference. Our training team includes a Clinical Manager with over 25 years' in the care sector, while our courses have all been developed by experienced professionals using premium-quality learning materials. You can rely on excellent value for money.

### Flexible

We can tailor our training according to your needs. We give you the freedom to train two or three individuals at a time if you wish, so you don't have large numbers of staff absent at any one time.

### National and Accessible

We train throughout Ireland. You also don't have to be a TTM Healthcare client to train your staff with us, our courses are available to all organisations and businesses. Just book easily and seamlessly at [www.ttmtraining.com](http://www.ttmtraining.com).

### Here for You

As a division of TTM Healthcare, we are driven to deliver exceptional client experiences. We believe in a personal approach to service, and we're always on hand to provide administrative support.

## Our Team

### *Peter Tonge* ..... **Training Manager**

With over 20 years in the healthcare industry, Peter helped develop TTM Training in 2016. Responsible for coordinating our division with professionals and clients, he collaborates closely with our trainers to deliver quality training courses nationwide - and liaises with participants to ensure they gain the certification they require. Peter is committed to delivering an excellent service across the board.

### *Gerard L. Soosay* ..... **TTM Trainer / Clinical Manager**

With a primary and postgraduate degree in Psychology and more than 25 years' experience in the care sector, Gerard has worked internationally from Singapore to Sweden and Ireland. Within both the public and private sectors, Gerard has been in senior management for over 10 years and joined TTM over 12 years ago. He is a qualified trainer in several safeguarding courses, a trained Supervisor (HSE) and provides clinical supervision and critical incident debriefing as part of the organisation's EAP

### *Diane Shanahan* ..... **Senior Sales Coordinator**

As the Training Sales Coordinator at TTM Training, Diane consults with training participants and our team of trainers. She works closely with all participants to be sure they complete all compliancy training - and keeps them informed of training opportunities in their area.
